Exhibit C: Price Proposal

Exhibit C: PRICE PROPOSAL

Please refer to site and floor plans, cleaning schedule outlines, and square footage lists to determine the following. Scoring for pricing will be based on the total cost per month for items 1 – 6. Items 5 and 6 will be divided over 12 months to be used to calculate evenly. WTA will not make any accommodations for contractors who did not consider all the requirements of the scope in their pricing.

Vendors are not required to submit pricing or proposal for all locations. Vendors may submit pricing and proposals for one or more location.

Do not include tax:
