

**CENTURYLINK ISDN PRS, DSS OR UAS  
INDIVIDUAL CASE BASIS ("ICB") RATE PLAN AGREEMENT**

This ICB Agreement ("Agreement") is between Qwest Corporation d/b/a CenturyLink QC ("CenturyLink") and Whatcom Transportation Authority ("Customer") and is effective on the date CenturyLink signs it ("Effective Date"). In order to qualify for the pricing under this Agreement, Customer must purchase a minimum of one (1) DS1 facilities ("Minimum Circuits") for Integrated Services Digital Network Primary Rate Service ("ISDN PRS"), or Digital Switched Service ("DSS") with "Advanced" or "Basic" trunks, or Uniform Access Solution Service ("UAS") (individually and collectively referred to as the "Service"). The Minimum Circuits must be installed within 30 days of the Effective Date ("Ramp Period"), unless an installation delay is caused by CenturyLink, and must remain installed during the Term of this Agreement. The circuits may be aggregated across CenturyLink's local serving areas in Arizona, Colorado, Idaho, Iowa, Minnesota, Montana, Nebraska, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington and Wyoming.

*To correct an error, Customer and CenturyLink agree that this Agreement supersedes the following Amendment: Amendment #1 to CenturyLink ISDN PRS, DSS or UAS Individual Case Basis ("ICB") Rate Plan Agreement, Contract ID: 1256245, signed by Customer on December 15, 2019 (OMR #R097377).*

**Filing Concurrence**

CenturyLink may be required to submit this Agreement and any subsequent addenda for Service to certain regulatory agencies for approval because the rates and some terms in this Agreement are being offered on an individual case basis ("ICB"). Service specific rates, and the terms and conditions in the Termination Section of this Agreement require filing with or approval by regulatory agencies ("ICB Terms"). Although the general terms and conditions of this Agreement are effective on the Effective Date, the ICB Terms will not become effective for a given jurisdiction until the filing and approval requirements for that jurisdiction are fulfilled. Service will be offered in accordance with the applicable Tariff until the ICB Terms become effective. If Customer receives reduced pricing under this Agreement and a regulatory agency later invalidates the ICB Terms after they had become effective, Customer will pay to CenturyLink any difference in the amounts listed in the applicable Tariff for Service and the amounts Customer was charged for Service. When approved by the regulatory agencies, Customer may add additional quantities of Service pursuant to the Service Changes Section under the same terms and conditions with no further filing required. If a regulatory agency does not approve this Agreement, the parties will enter into good faith negotiations to mutually resolve the failure to receive the necessary approval. This Agreement will remain in full force and effect for Service in all other jurisdictions.

**Tariff**

Other than the ICB Terms in this Agreement, Service will be governed by: (a) the Tariff applicable to Service; and (b) to the extent a comparable Tariff term or condition does not apply to Service, the terms and conditions set forth in this Agreement. "Tariff" includes as applicable: CenturyLink state tariffs, price lists, price schedules, administrative guidelines, catalogs, and rate and term schedules incorporated by this reference and posted at <http://www.centurylink.com/tariffs>. Service is subject to technical publication 77400 located at <http://www.centurylink.com/techpub/> ("Tech Pub").

**1. Scope.**

**1.1 ISDN PRS.** If Customer purchases ISDN PRS, CenturyLink will provide digital intraLATA, intrastate, switched local exchange telecommunications service utilizing ISDN PRS technology that transports and distributes voice, data, image, and facsimile communications separately or simultaneously over the public, switched, local exchange network. An ISDN PRS circuit includes a DS1 facility, an ISDN PRS service configuration, and trunks. ISDN PRS operates at 1.544 megabits per second (Mbps). ISDN PRS may be configured as 23 B channels and one D channel, 24 B channels only (24B), or 23 B channels and one back-up D channel (23B+BUD). Each B channel transmits voice or data at 64 kilobits per second (Kbps). The D channel carries signaling information at 64 Kbps.

**1.2 ISDN PRS-UAS.** If Customer purchases ISDN PRS, Customer may also select Uniform Access Solution service as an optional feature as that service is defined in the Tariff under Primary Rate Service. An ISDN PRS-UAS circuit provides digital service with single-number route indexing, which includes a DS1 facility with common equipment, and a network connection which provides for local exchange, toll network access. Each DS1 facility utilizes channels configured as: (a) In-only trunking; or (b) Two-way trunking.

**1.3 DSS.** If Customer purchases DSS, CenturyLink will provide Customer with a circuit that includes a digital DS1 facility, common equipment to interconnect with CenturyLink's local exchange switching office and Advanced or Basic flat-usage trunks and DID trunk termination for access to the local exchange and toll networks. DSS Advanced and Basic operates at a maximum speed of 1.544 Mbps.

**1.4 UAS.** If Customer purchases UAS, CenturyLink will provide Customer with a digital circuit with single-number route indexing, which includes a DS1 facility with common equipment, and a network connection which provides for local exchange, toll network access. Each DS1 facility utilizes channels configured as: (a) In-only trunking; or (b) Two-way trunking.

**1.5 Use of Service.** Customer represents and warrants that it will use ISDN PRS and its optional features for communication purposes only. If CenturyLink determines that ISDN PRS or any optional feature is being used inappropriately, CenturyLink may disconnect the ISDN PRS service or feature without notice in accordance with any applicable termination provision of the Tariff, and the Termination Charges specified in the Termination section below may apply.

**2. Term.**

**2.1** This Agreement will expire thirty-six (36) months from the date Service is available to Customer under this Agreement, as evidenced by CenturyLink records ("Term"). The Minimum Service Period for Service is 12 months from the date Service is available

**CENTURYLINK ISDN PRS, DSS OR UAS  
INDIVIDUAL CASE BASIS ("ICB") RATE PLAN AGREEMENT**

for use ("Minimum Service Period"). Any Service installed for 12 consecutive months prior to the Effective Date of this Agreement will be deemed to have met the Minimum Service Period.

**2.2** Should Customer wish to add new Services, a new Agreement would be required to be executed by both Parties.

**3. Service Provided.** CenturyLink will provide and maintain Service at the locations and in the quantities specified in the Pricing Attachment(s), incorporated herein by this reference, and as requested on any subsequent order for Service or amendment to this Agreement.

**4. Order Acceptance and Cancellation.** CenturyLink and Customer will determine a mutually agreeable date for Service to be available for use. Customer's acceptance of Service will be subject to the terms in the applicable Tariff. If the order for Service is canceled (a) at Customer's request; or (b) by CenturyLink due to Customer's failure to accept Service, Customer will be subject to cancellation charges in the applicable Tariff.

**5. Charges and Billing.**

**5.1** Customer will pay the total monthly recurring charges ("MRC") and nonrecurring charges ("NRC") for Service specified in the Pricing Attachment(s). For Service requested on any subsequent orders or amendments to this Agreement, Customer will also pay the total MRC and NRC specified on the subsequent orders or amendments. The MRC will not change during the Term of this Agreement provided that the Minimum Circuits are installed by the end of the Ramp Period and the total circuits do not drop below the Minimum Circuits threshold. If due to Customer's request, actions or failure to act, the Minimum Circuits are not installed by the end of the Ramp Period or drop below the Minimum Circuits threshold, CenturyLink may adjust the pricing and Permitted Disconnects defined herein based on the actual number of circuits installed. Such adjusted pricing will be effective immediately following the rate adjustment.

**5.2** Customer must pay CenturyLink all charges by the payment due date on the invoice. Any amount not paid when due will be subject to late interest specified by the Tariff, or if there is no such late interest specified in the Tariff, the amount due will be subject to late interest at the lesser of 1% per month or the maximum rate allowed by law. In addition to payment of charges for Service, Customer must also pay CenturyLink any applicable Taxes assessed in connection with Service. "Taxes" means federal, state and local excise, gross receipts, sales, use, privilege, or other tax (other than net income) now or in the future imposed by any governmental entity (whether such Taxes are assessed by a governmental authority directly upon CenturyLink or Customer) attributable or measured by the sale price or transaction amount, or surcharges, fees, and other similar charges that are required or permitted to be assessed on Customer. These charges may include state and federal Carrier Universal Service Charges, as well as charges related to E911, and Telephone Relay Service. Taxes may vary and are subject to change. Customer may access its invoice and choose paperless invoices online through CenturyLink Control Center located at <http://controlcenter.centurylink.com>. If Customer does not choose paperless invoices through Control Center, CenturyLink may in its discretion assess a \$15 MRC for each full paper invoice provided to Customer or a \$2 MRC for each summary/remit only (where available) paper invoice provided to Customer. Those charges will not apply to an invoice that is not available through Control Center. Customer's payments to CenturyLink must be in the form of electronic funds transfer (via wire transfer or ACH), cash payments (via previously-approved CenturyLink processes only), Credit Card, or paper check. CenturyLink reserves the right to charge administrative fees when Customer's payment preferences deviate from CenturyLink's standard practices.

**5.3** Charges for Service under this Agreement, including any and all discounts to which Customer may be entitled, will be offered and charged to Customer independently from and regardless of Customer's purchase of any customer premises equipment or enhanced services from CenturyLink

**5.5** If Service is not available in Customer's wire center, standard interoffice private line mileage charges ("Mileage MRC" and "Mileage NRC") for transport between switches will apply in addition to the rates and charges for Service.

**6. Customer Responsibilities for 911 Call Routing.**

**6.1** If Customer purchases ISDN PRS or DSS Advanced under this Agreement, Customer understands and acknowledges that the PBX's main number Automatic Number Identification (ANI) may be forwarded to a Public Safety Answering Point ("PSAP") during a 911 call. DID digits assigned to a PBX station may not be used for 911 calls unless an Automatic Location Identification (ALI) record has been created for the DID number.

**6.2** Customer's PBX must be capable of recognizing "911" or "9911" digits as a complete dialing sequence, and routing those calls as an outbound local call.

**6.3** Customer hereby agrees to release CenturyLink from any liability if an incorrect telephone number is forwarded to a PSAP as a result of PBX, ISDN PRS or DSS Advanced signaling parameters set by Customer.

**7. Service Changes.**

**7.1 Moves.** Customer may move the physical location of all or part of a Service to another location within a CenturyLink serving area, provided the following conditions are met: (a) Service moved to the new location is provided to Customer by CenturyLink; (b) Customer advises CenturyLink that Service at the new location replaces the existing Service; (c) Customer's request for disconnection of the existing Service and installation of Service at the new location are received by CenturyLink on the same date; (d) Customer requests that CenturyLink install Service at the new location on or prior to the disconnection date of the existing Service; and (e) Customer agrees to pay all applicable rate and charges for the requested move and Service at the new location.

**7.2 Additions to Service.** Service may be added up to 12 months prior to the expiration date of this Agreement, at the rates specified herein. CenturyLink will supply such additions to Customer, subject to the following conditions: (a) the necessary facilities are

**CENTURYLINK ISDN PRS, DSS OR UAS  
INDIVIDUAL CASE BASIS ("ICB") RATE PLAN AGREEMENT**

available as determined by CenturyLink to provide Service; and (b) a new Minimum Service Period is established for each new addition to Service. If Service being added is not itemized in a Pricing Attachment, Customer agrees to execute a written amendment evidencing such addition to Service.

**7.3 Additions During Last 12 Months of Term.** Service ordered during the last 12 months of the Term must be added (a) pursuant to a new agreement that may include the existing Service; or (b) on a month-to-month basis at the rates in effect in the Tariff.

**8. Termination.**

**8.1** Either party may terminate Service under this Agreement in accordance with the applicable Tariff or for Cause. "Cause" means the failure of a party to perform a material obligation under this Agreement, which failure is not remedied: (a) for payment defaults by Customer, within five days of separate written notice from CenturyLink of such default (unless a different notice period is specified in the Tariff); or (b) for any other material breach, within 30 days of written notice (unless a different notice period is specified in the Tariff or this Agreement). Customer will remain liable for charges accrued but unpaid as of the termination date.

**8.2** If, prior to the conclusion of the Term, Service is terminated either by CenturyLink for Cause or by Customer for any reason other than Cause, then Customer will also be liable for 100% of the MRC for terminated Service times the number of months (or fraction thereof) remaining (if any) in the Minimum Service Period, and 50% of the MRC times the number of months (or fraction thereof) remaining in the Term after the Minimum Service Period ("Termination Charge").

**8.3** A Termination Charge will be waived when all of the following conditions are met: (a) Customer discontinues Service and signs a new service agreement(s) for any other CenturyLink-provided service(s); (b) the new service agreement(s) have a total value equal to or greater than 115% of the remaining prorated value of the existing agreement(s) (excluding any special construction charges, applicable nonrecurring charges, or previously billed but unpaid recurring and nonrecurring charges); (c) Customer places the orders to discontinue Service and establish new service at the same time (within 30 calendar days of each other if service is in New Mexico); (d) the new service(s) installation must be completed within 30 calendar days of disconnection of Service, unless such installation delay is caused by CenturyLink; and (e) a new minimum service period, if applicable, goes into effect when the new service agreement term begins. The waiver does not apply to changes between regulated and unregulated or enhanced products and services.

**9. Confidentiality.** Neither party will, without the prior written consent of the other party: (a) disclose any of the terms of this Agreement; or (b) disclose or use (except as expressly permitted by, or required to achieve the purposes of, this Agreement) the Confidential Information of the other party. "Confidential Information" means any information that is not generally available to the public, whether of a technical, business, or other nature, and that: (a) the receiving party knows or has reason to know is confidential, proprietary, or trade secret information of the disclosing party; or (b) is of such a nature that the receiving party should reasonably understand that the disclosing party desires to protect the information from disclosure. Confidential Information will not include information that is in the public domain through no breach of this Agreement by the receiving party or is already known or is independently developed by the receiving party. Each party will use reasonable efforts to protect the other's Confidential Information, and will use at least the same efforts to protect such Confidential Information as the party would use to protect its own. CenturyLink's consent may only be given by its Legal Department. A party may disclose Confidential Information if required to do so by a governmental agency, by operation of law, or if necessary in any proceeding to establish rights or obligations under this Agreement. Customer complies with RCW Chapter 42.56. This Contract and any other documents relating to this Contract or services or goods provided by Contractor will be disclosed if a Public Disclosure Request (PDR) is submitted. Under no circumstances shall there be any "confidentiality" obligation imposed against Customer, except as provided in this Agreement. If Customer receives any PDR that includes a request for all or a portion of this Contract or any documents relating to the Contract or services or goods provided by Contractor, Customer is required to comply with this request under RCW Chapter 42.56, subject to any exception that may apply to Customer. Nonetheless, any information provided by Contractor labeled "Confidential" or "Proprietary" but does not, in Customer's opinion, fall into an exception from public disclosure, will be initially withheld and Customer will notify Contractor of the request. Customer will continue to withhold the confidential or proprietary labeled materials for a total of fourteen (14) days after providing notice. Thereafter, Customer shall release the confidential or proprietary labeled materials pursuant to the PDR, subject to any court order or injunction that Contractor may obtain. Contractor shall reimburse to Customer all costs and attorneys' fees Customer incurs in any legal action instigated by Contractor or arising from dealing with Contractor's labeling of any documents as "Confidential" or "Proprietary."

**10. Use of Name and Marks.** Neither party will use the name or marks of the other party or any of its Affiliates for any purpose without the other party's prior written consent. CenturyLink's consent may only be given by its Legal Department. "Affiliate" means any entity controlled by, controlling, or under common control with a party.

**11. Out-of-Service Credit.** If CenturyLink causes a Service interruption, an out-of-service credit will be calculated under the state local exchange Tariff. If there is no applicable Tariff and the interruption lasts for more than 24 consecutive hours after CenturyLink receives notice of it, CenturyLink will give Customer a credit calculated by dividing the MRC for the affected Service by 30 days and multiplying that daily rate by the number of days that Service was interrupted.

**12. Disclaimer of Warranties.** EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT, SERVICE IS PROVIDED "AS IS." CENTURYLINK DISCLAIMS ALL EXPRESS OR IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

**13. Limitations of Liability.** To the extent permitted by law, the remedies and limitations of liability for any claims arising between the parties are set forth below.

**CENTURYLINK ISDN PRS, DSS OR UAS  
INDIVIDUAL CASE BASIS ("ICB") RATE PLAN AGREEMENT**

**13.1 Consequential Damages.** NEITHER PARTY OR ITS AFFILIATES, AGENTS, OR CONTRACTORS IS LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES OR FOR ANY LOST PROFITS, LOST REVENUES, LOST DATA, LOST BUSINESS OPPORTUNITY, OR COSTS OF COVER. THESE LIMITATIONS APPLY REGARDLESS OF THE LEGAL THEORY UNDER WHICH SUCH LIABILITY IS ASSERTED AND REGARDLESS OF FORESEEABILITY.

**13.2 Claims Related to Service.** For Service related claims by Customer, Customer's exclusive remedies are limited to the applicable out-of-service credits, if any.

**13.3. Personal Injury, Death; Property Damages.** For claims arising out of personal injury or death to a party's employee, or damage to a party's real or personal property, that are caused by the other party's negligence or willful misconduct in the performance of this Agreement, each party's liability is limited to proven direct damages.

**14. Miscellaneous.**

**14.1 General.** This Agreement's benefits do not extend to any third party (e.g., an End User). "End User" means Customer's members, end users, customers, or any other third parties who use or access Service or the CenturyLink network via Service. If any term of this Agreement is held unenforceable, the remaining terms will remain in effect. Neither party's failure to exercise any right or to insist upon strict performance of any provision of this Agreement is a waiver of any right under this Agreement. The terms and conditions of this Agreement regarding confidentiality, limitation of liability, warranties, payment, dispute resolution, and all other terms of this Agreement that should by their nature survive the termination of this Agreement will survive. Each party is not responsible for any delay or other failure to perform due to a Force Majeure Event. "Force Majeure Event" means an unforeseeable event beyond the reasonable control of that party, including without limitation: act of God, fire, explosion, lightning, hurricane, labor dispute, cable cuts by third parties, acts of terror, material shortages or unavailability, government laws or regulations, war or civil disorder, or failures of suppliers of goods and services. Neither party may assign this Agreement or any of its rights or obligations under this Agreement without the prior written consent of the other, which consent will not be unreasonably withheld. The Party's may terminate the contract for convenience as outlined herein. A conveyance of more than fifty percent (50%) of the ownership interest in Contractor shall constitute an "assignment" which must be approved by Customer. In the event of an unauthorized assignment the non-breaching Party may terminate the Contract for convenience as outlined herein. Involuntary assignment of the Contract due to bankruptcy or receiver appointment from insolvency is considered breach of the Contract and subject to termination. The grants, covenants, conditions and claims, rights, powers, privileges and liabilities obtained in the Contract Documents will transfer from the Contractor and Customer to their respective heirs, executors, administrators, successors and assigns. Customer may not assign to a reseller or a telecommunications carrier under any circumstances.

**14.2 Conflicts Provision.** If a conflict exists among provisions within this Agreement, the following order of precedence will apply in descending order of control: the ICB Terms; the Tariff; the other terms in this Agreement; the Tech Pub; and CenturyLink records.

**14.3 Independent Contractor.** CenturyLink provides Service as an independent contractor. This Agreement will not create an employer-employee relationship, association, joint venture, partnership, or other form of legal entity or business enterprise between the parties, their agents, employees or affiliates.

**14.4 ARRA.** Customer will not pay for Service with funds obtained through the American Recovery and Reinvestment Act or other similar stimulus grants or loans that would obligate CenturyLink to provide certain information or perform certain functions unless each of those obligations are explicitly identified and agreed to by the parties in this Agreement or in an amendment to this Agreement.

**14.5 HIPAA.** CenturyLink does not require or intend to access Customer data in its performance hereunder, including but not limited to any confidential health related information of Customer's clients, which may include group health plans, that constitutes Protected Health Information ("PHI"), as defined in 45 C.F.R. §160.103 under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA Rules"). To the extent that any exposure to PHI is incidental to CenturyLink's provision of Service and not meant for the purpose of accessing, managing the PHI or creating or manipulating the PHI, such exposure is allowable under 45 CFR 164.502(a)(1)(iii).

**14.6 Credit Approval.** Provision of Service is subject to CenturyLink's credit approval of Customer. As part of the credit approval process, CenturyLink may require Customer to provide a deposit or other security. Additionally during the Term, if Customer's financial circumstance or payment history becomes reasonably unacceptable to CenturyLink, CenturyLink may require adequate assurance of future payment as a condition of continuing CenturyLink's provision of Service. Customer's failure to provide adequate assurances required by CenturyLink is a material breach of this Agreement. CenturyLink may provide Customer's payment history or other billing/charge information to credit reporting agencies or industry clearinghouses.

**14.7. Governing Law; Dispute Resolution.**

**(a) Governing Law; Forum.** Washington state law, without regard to choice-of-law principles, governs all matters relating to this Agreement, except with regard to matters which are within the exclusive jurisdiction of the state or federal regulatory agency. Any legal proceeding relating to this Agreement will be brought in a U.S. District Court, or absent federal jurisdiction, in a state court of competent jurisdiction, in Whatcom County, Washington. This provision is not intended to deprive a small claims court or state agency of lawful jurisdiction that would otherwise exist over a claim or controversy between the parties.

**(b) Waiver of Jury Trial and Class Action.** Each party, to the extent permitted by law, knowingly, voluntarily, and intentionally waives its right to a jury trial and any right to pursue any claim or action relating to this Agreement on a class or consolidated basis or in a representative capacity. If for any reason the jury trial waiver is held to be unenforceable, the parties agree to binding arbitration for

**CENTURYLINK ISDN PRS, DSS OR UAS  
INDIVIDUAL CASE BASIS ("ICB") RATE PLAN AGREEMENT**

any dispute relating to this Agreement under the Federal Arbitration Act, 9 U.S.C. § 1, et. seq. The arbitration will be conducted in accordance with the JAMS Comprehensive Arbitration Rules. Judgment upon the arbitration award may be entered in any court having jurisdiction.

(c) **Limitations Period.** Any claim relating to this Agreement must be brought within two years after the claim arises.

**14.8 No Resale; Compliance.** Customer represents that it is not a reseller of any telecommunication services provided under this Agreement as described in the Telecommunications Act of 1996, as amended, or applicable state law and acknowledges it is not entitled to any reseller discounts under any laws. Customer's use of Service must comply with all applicable laws.

**14.9 Amendments; Changes.** This Agreement may be amended only in a writing signed by both parties' authorized representatives. Each party may, at any time, reject any handwritten change or other alteration to this Agreement. CenturyLink may amend, change, or withdraw the Tariffs, with such updated Tariffs effective upon posting or upon fulfillment of any necessary regulatory requirements.

**14.10 Notices.** All notices must be in writing. Notices are deemed given if sent to the addressee specified for a party either (a) by registered or certified U.S. mail, return receipt requested, postage prepaid, three days after such mailing; or (b) by national overnight courier service, next business day; or (c) by facsimile when delivered if duplicate notice is also sent by regular U.S. Mail.

(a) **Service Notices.** All Customer notices for Service disconnect and termination must be sent via e-mail to: CenturyLink, Attn.: [BusinessDisconnects@centurylink.com](mailto:BusinessDisconnects@centurylink.com) and must contain the account name, account number, identification of the Service(s), and Service address(es). Such disconnect and termination is effective 30 days after CenturyLink's receipt of the notice. All Customer notices for Service non-renewal and other routine operational notices will be provided to its CenturyLink sales representative. Failure to provide disconnect, termination and non-renewal notices in accordance with the terms of this Agreement may result in continued charges, and CenturyLink will not credit charges for such noncompliance.

(b) **Legal Notice.** All legal notices required to be given under the Agreement will be in writing and provided to CenturyLink at: 931 14<sup>th</sup> St., #900, Denver, CO 80202; Fax: 888-778-0054; Attn.: Legal Dept., and to Customer as provided in the Agreement or in its absence, to Customer's address reflected in CenturyLink's records Attn. General Counsel.

**14.11 Entire Agreement.** This Agreement (including all referenced documents) constitutes the entire agreement between the parties and supersedes all prior oral or written agreements or understandings relating to the same service or circuits at the same locations as covered under this Agreement. Using CenturyLink's electronic signature process for this Agreement is acceptable.
