**Affirmity - Renewal Notice - NO. Q-07939-20221213-1851**

**Quote of Renewal Notice:** 2022-12-13

**Auto Renewal Assumption:** As per, the Master Agreement referenced above, the services identified above will automatically renew at the costs indicated unless you provide written notification no later than forty-five (45) days prior to the contract term end date. 2022-12-31

**Limitations:**

The enclosed information contained in this Quote are, unless otherwise stated herein, valid for until the expiration date mentioned above unless extended by written notification from an authorized Affirmity representative. This information only includes functionalities and pricing currently available in the relevant Affirmity system(s), and does not apply to future enhancements, service pack releases, product releases, updates, additional customization charges, change requests, and third-party vendor offerings (pricing & services) that are subject to change. This Quote is not a binding offer nor is it intended as the specific terms of a contract. This Quote does not bind Affirmity to a contract for the products and services described herein and is subject to contract.
